

Blossoming Butterfly: Together Hand in Hand

Dear Sir/Ma'am,

First, I would like to introduce myself: My name is Nicole and I'm the CEO/Founder of Blossoming Butterfly. What is Blossoming Butterfly, you might ask? Blossoming Butterfly is a Nonprofit 501(c)3 Organization that is committed to walking hand-in-hand with individuals as well as their families in the Gainesville community and beyond, who are coping with the unexpected diagnosis of breast cancer. Being diagnosed with breast cancer at age 32, made me realize how important these services are and that there are many others in need.

Fighting Cancer is tough enough; however, Blossoming Butterfly's mission is to help alleviate the added stress that many families face because of the financial hardship that oftentimes accompany their diagnosis. Having the ability to fulfill our mission will allow our Cancer Fighters to focus on their recovery and become Cancer Survivors. Below are a list of services we're focused on providing assistance with your help:

- Rent/Mortgage Assistance
- Utility Assistance
- Makeover after Cancer Treatment
- Meditation/Yoga Sessions
- Partner with local High Schools to educate youth (11th-12th grade)

We would like to invite you to partner with us in supporting the fight against Breast Cancer. If you have any questions, please feel free to email us at blossomingbutterfly1@gmail.com, visit our website www.blossomingbutterflyinc.org or call us at (352)214-0155.
